Ofsted

We are extremely pleased to report that following our Ofsted Inspection of Tuesday 17th October, we remain a Good school. The lines of enquiry were those expected as we had already identified the areas for improvement and included them in our School Development Plan. The full report can be viewed on the Ofsted website.

We would like to add that many positive comments were made. These included praise for teaching, including TAs throughout the school, the work of SEND, the leadership, for identifying and addressing particular issues early to allow interventions to begin robustly, as well as the management of data and progress. It was also noted that the children were well behaved and engaged with their learning.

To conclude, we would like to send our appreciation to Governors for the support they give to the school. We would also like to publically thank all the staff who work so hard day in and day out as without such dedication by all, we would not be where we are now, which is a GOOD SCHOOL of which we are very proud.

Year 3&4 Roman Trip

As part of the Year 3&4 class work on the 'The Romans' they visited the Roman Baths at Welwyn. It is an excellent example of a Roman Villa discovered under the A1.

The children were given lots of interesting facts by their guide Nick and then given lots of opportunities to try on costumes, play games, and explore all the show cases.

In the afternoon they went to Mill Green. Here they learnt about how the Mill still works and grinds the flour. They then were able to taste the food like Romans may have eaten.

The rest of the afternoon was spent looking at and sketching Roman artefacts, using tesserae blocks to make a mosaic floor, exploring materials found in Roman digs and listening to a story. All the children reported on a really fun day where they learnt so much.

Parking

When bringing your child to school, PLEASE do not pull up on the yellow zig-zag lines to drop off your child. This is extremely dangerous as it not only blocks the main entrance to the school but yesterday resulted in a near miss with a child being run over.

Please allow time to park (ideally at The Feathers Inn, The Anchor or the Village Hall car park) and escort your child into school.

Children should not be coming into school unaccompanied.

I have two Parish Councillors coming to meet with me on Wednesday to complain about inconsiderate parking amongst other things. It is a constant problem and takes up a considerate amount of office and leadership time.

Please park with consideration, not on the pavement, yellow lines or the zig zag lines.

Netball & Football

Hunsdon School were unable to play matches on 2nd November. Our next fixture was against Stapleford School on 9th November the football team lost but great effort was made by the goalkeeper. The netball team won 10-3, well played everyone.

All netball and football practices/matches have now finished and will commence again in January.

Easyfundraising

We are now up to a total of 35 supporters and have raised £24.43 ... in 6 weeks! These supporters will be raising at least £211.00 in 12 months, which is great, however, if we, as a school community can increase this to have 100 supporters, we will have the potential to raise a minimum of £635, without spending a penny extra! Please do have a serious think about signing up, especially with Christmas (and Black Friday) approaching... For every £ you spend online, there are almost 3500 retailers ready and waiting to give a % of your spend back to Thundridge School! And if you do not sign up, the money will just stay with the retailer.

Also, the more we can encourage our friends, relatives and neighbours to sign up to this, the more significant the earnings for our village school....and the more we can capitalise on this opportunity! The pupils are being rewarded with small bags of haribos for signing you up too! If you are already signed up with Easyfundraising for a different cause, please let Zoe know and we will make sure your child/children receive a prize too.

Thund-raising Thermometer Competition

Over the October half term holidays, pupils busily designed their entries for the Thundridge School "Thund-raising Thermometer Competition". On 3rd November, the creative entries were kindly judged by Mrs White, our school Librarian. We had dinosaurs, trees, butterflies, great designs of the school building, flowers and lots more. In Assembly, Mrs White announced the class winners - and the overall winner giving specific and detailed feedback to the children regarding the features of their individual drawings! Prizes were awarded to everyone who entered. The class winners got an extra treat bag and some bonfire night marshmallows. In addition to these prizes, the overall winner's design will be blown up to 2m tall, displayed at school, and used to track fundraising until the end of this academic year. Well done to all the children and in particular to the winner... Finley Francis for this excellent achievement.
